

Buy a Brick....Build a Playground....Leave a Legacy!

Help St. Patrick Catholic School finish paving the way to a new playground and a more vibrant campus! The engraved bricks you purchase will help generate the funding needed to complete the playground project. St. Patrick School has raised about \$33,000 to date. With another \$13,000, the new playground will be installed and ready for the kids by the time school starts this fall! It will be bigger, have awesome new equipment and be much safer - thanks to modern design and recycled rubber mulch surfacing.

The installed bricks will create a beautiful border around the new playground and the new greenspace. Honor your family, loved one or branch of service; promote your business; or celebrate your favorite school/team/organization! Investing in our school facilities is vital for future growth and continued success! *Thank you for your support!*

Order deadline is JUNE 19, 2009!  **Your contribution is tax deductible!**

Please return completed order form
(front and back) with payment to:
