## Monday, November 15, 2010

### Minutes

**Members present:** Suzanne and Jim Benda, Joel Anderson, David Coffee, Meg and Scott Sernett, Sister Marilou Irons, Brent Judish, Lori and Steve Nurse.

**Members absent:** Tom Kremer, Tammy and Ross McDermott

The meeting was called to order at 7:10 pm with an opening prayer by Suzanne Benda.

Discussion was started about coaches' salaries.

It was suggested that all teams, Varsity, JV 5<sup>th</sup>/6<sup>th</sup> grade team, have an assistant. There was a motion by Scott Sernett to accept this new standard and Joel Anderson seconded it.

The board then discussed raising salaries for each sport. Discussion evolved on increasing amount for 5<sup>th</sup> and 6<sup>th</sup> grade coaches since these are the years where many of the fundamentals are learned. The coaches are often responsible for more students at this level and they can be more of a handful. Brent Judish motioned for the coaches to receive some of their wages up front or halfway through their season. Joel Anderson seconded the motion. These salary amounts were voted on.

Our next item for discussion was regarding the golf outing. Lori shared final figures for expenses and our total profit from event.

We talked about ways to improve and entice more young families to participate. We decided it would be good to work with John Bermel and possibly have a marketing intern chair the event, since there were no takers in leading the golf outing.

Another thing suggested was to have the golf as secondary or have something else in the clubhouse during the golf for those who do not like to golf (in example Bingo). Make the night a more social event.

The last item on the agenda was having Steve Nurse, our new AD talk about things he has worked on and what he sees in the near future. He talked about our new Boys Basketball coaches and how they have already met with the boys and gave out a handout for the boys to start exercises and drills at home if desired. He also gave a brief review on the Basketball camp that he put together with his brother, Nick Nurse. The kids really enjoyed and learned a lot from the camp.

Janae Gross is planning on coaching track this year but meets have yet to be scheduled. Steve needs to find out if 5<sup>th</sup> and 6<sup>th</sup> can participate in fun runs or even practice with the team, if we become a sanctioned track team.

Briefly it was brought up that we need to order a new volleyball cage, catching equipment and to check on basketballs.

The meeting adjourned at 8:35pm.
