

**CPTO Notes:**

Thursday, April 12, 2018 @ 6:30

Out of Uniform Pass: April 19, 2018

**Committee Review:**

**Social Committee-** (Melissa & Katie) K-4th "Peter Rabbit" movie outing was a big success and low maintenance. Adult trivia was held on a snowy date and at a new venue. This was a social event, which brought in enough to cover half the costs with admissions. CPTO approved \$50 each for hospitality gifts for trivia night to Erin & Brett. Will continue annual Palmers last day of school event for all school, 2:00-5:00 at \$7.00/child. CPTO voted and approved \$1.50 per child for snack.

**Fundraising Committee-** Sarah gave update on the successful Main Event; many kudos to Sarah for her coordination of this event. 198 tickets sold and had 130 people in attendance. This chair remains open for school year 2018-2019, and Sarah confirmed a school board member will also assist this role, and many subcommittees are needed to divide up the tasks/planning.

**Marketing Committee-** Kindergarten meeting and visitation day held April 9, 2018 hosted 28 families for next year. Another family visited yesterday. St. Pats School publicity and social media; Twitter, on-line with Waterloo Courier, Cedar Falls Chamber e-letter and newsletter, The Witness, and Cedar Falls Mayor coming next week. Waterloo Bucks Night for St. Pats School to attend will be Wednesday, June 6, look for flyers soon.

**Volunteer Committee-** Art Show approaching. Kudos to Suzie for taking the lead on coordinating the artwork projects. Suzie indicated we can look for the volunteer forms going on-line at beginning of school year. Much emphasis needed on volunteer recruitment. Volunteer Chair will also be open school year 2018-2019.

**Leader in Me Parent Info:** March 26, 2018 earned "Lighthouse" status, which certification is good for 2 years, with another 2 years after having another visit. Laura Dobson did great work committing to all needed binder requirements. Laura also ordered an inflatable lighthouse to celebrate this honor and CPTO voted and approved \$300 to further celebrate with cookies for the students/teachers. Mrs. Steinfadt present and praise to her for organizing/connecting with the STEM trailer, which all the students/teachers love!

**Bev Mach-** Update on preschool playground, which is expected before start of school in August. Playground pad was donated.

Financials Reviewed;

**Teacher Grant/Requests:** 2 approved previously for Mrs. Steinfadt and Mrs. Gross whom attended a one day training. CPTO voted and approved Mrs. Rhomberg \$175 for magnetic board/supplies. CPTO voted and approved \$500 for Living History Farms trip.

**Old Business:** Chair openings for next year include secretary, volunteer committee, fundraising committee, will require voting at next meeting, May 10, 2018.

**New Business:** Teacher Appreciation Week May 6-12. Suzie, Zack, Abby, and Traci will assist with coordinating food for this event.

**Final CPTO Meeting:  
May 10 @ 6:30**
